

Delight in the Lord Ministries 2026 Update

Delight in the Lord Ministries continues to share God's truths and show God's grace to children in Uganda, Africa, through yearly educational sponsorships including medical outreach for these children, community outreach, and weekly Bible studies for children in Kabowa and the village, as well as adults in the village. It is also a blessing to volunteer at a local government school. **Sharing the Gospel whenever and wherever possible is my greatest joy.** Here are a few highlights from this year.

YEARLY EDUCATIONAL SPONSORSHIP

Since 2017, Delight in the Lord Ministries has provided sponsorships for children. This year is very special, as six of our sponsor children completed Senior 4 and "graduated" from the DLM Program.

Angel

Edrinah

Elvis

Esther

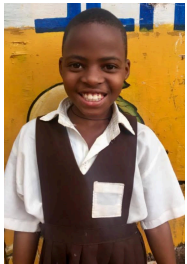

Fabregas

Maria

These young people are so thankful for the support they have received from individual sponsors throughout primary and/or secondary school. Most of them also attended weekly Bible study while in primary school. **We pray that they will glorify Him with their lives.**

Edrinah has been a part of the Educational Sponsorship program since the beginning. Her photo on the left is from 2017.

"If God had not sent Aunt Cici and DLM to Uganda, I would have not been studying and I would have not been knowing anything about the Bible and God." - Edrinah, Senior 4

VILLAGE BIBLE STUDY FOR CHILDREN

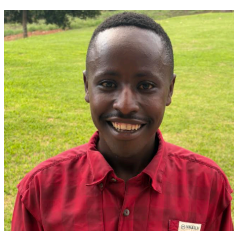

I continue to meet on Saturday afternoons with a group of kids in the village for Bible study. My neighbors, Tata Dora and Mama Dora, are so gracious to allow us to meet in their home each time. God has certainly blessed me with their friendship! It has been a joy to watch these kids learn the history of the Bible by studying its main highlights, starting in Genesis. They are now able to see how these Old Testament stories unfold and see how the Old Testament stories point to Jesus. **May God draw these kids to Himself through His Word!**

"I used to not take prayer seriously...like just waiting on Sunday, but now I pray so often...daily. I also make time to read and understand the Bible by myself. I used to only wait to hear what the Pastor reads in church. Also, my love for God has grown through home children's Bible study and even adult Bible study." - Mama Dora

VILLAGE BIBLE STUDY FOR ADULTS

The adult village Bible study, led by a deacon from my church in Kampala, began in March. We initially met on Thursday afternoons but in recent months moved to Sunday afternoons. Thursdays were tough for the locals because most of them "dig" or farm and were unable to attend. Attendance varies, but several people attend regularly. We meet on DLM's half-acre plot near the 17-acre compound, which we hope will one day be used for a church plant. **May God be glorified!**

Erisa is my neighbor and has been a tremendous support to me in the village. He has been attending the Bible study since we began and has grown so much in his knowledge of the Truth. "I used to say I was born again. Now I know that being born again means doing what pleases God." - Erisa

Delight in the Lord Kindergarten

Opening Day: February 1, 2027

On July 19, 2022, Delight in the Lord Ministries kicked off an enormous capital campaign to build a ministry home for my personal residence and mission team visitors, along with a Christian boarding school. Since then, the Lord has led us to shift our vision to a Christian day school with pre-primary and primary sections, benefiting children in and around the village of Migamba. These two projects were estimated to cost nearly **ONE MILLION DOLLARS! I stand in awe of God's faithfulness.** The photo on the top left shows the ministry home, the chapel, two classroom blocks, the administration building, staff latrines, visitors' building, and the kitchen/cafeteria. In the near future, we hope to raise the funds for the student latrines and a much-needed retaining wall behind the two classroom blocks, which will prevent erosion and damage to the foundations. Thank you to everyone who has prayed, continues to pray, and has financially supported this ministry to make this dream a reality. May God bless you all!

We are excited to announce that, God willing, Delight in the Lord Kindergarten will open on February 1, 2027, with its first Baby Class. Each year, we will add another class as the children advance, eventually growing to include Baby, Middle, Top, and Primary 1 through Primary 7. We are so close to the finish line, but many decisions remain before opening day. Please pray for the hiring of teachers and staff and for funding to cover start-up costs as we prepare to welcome our first students in February 2027.

Please continue to pray as we seek to glorify God through our plans and preparations for opening Delight in the Lord Kindergarten (DLK). **May He receive all the glory!!**
